BIOGRAPHY - Dr. Michel Henry Bouchet

Dr. Bouchet is currently Distinguished Finance Professor at SKEMA Business School. He is also Managing Director of DEFI-Developing Finance, and Board member and chief Strategic Consultant of North Sea-Global Equity Management Fund (Norway).

Dr Bouchet graduated in Economics from the University of Paris X, and from the Paris-based Institut d'Etudes Politiques. He also holds Master and Ph.D degree in International Relations from USC, Columbia, USA. He got his HDR (Director of Doctoral Research) from Université Paris-Dauphine.

Dr Bouchet started his career at Secrétariat Général de la Défense Nationale (SGDN). He has then held high-level positions in international banking, including BNP (country risk management), World Bank (Senior Economist-financial engineering assistance) and Institute of International Finance (Senior international economist) in Washington, D.C. In 1990, he founded Owen Stanley Financial SA which he served as its CEO. The company, a global advisory firm dealing with debt restructuring strategy in emerging markets, became a subsidiary of ING Barings. Until end-2001, he was Principal Advisor of ING Barings as well as executive partner of FINCONET. Between 1998 and 2009, he was Academic Director of MSC in International Finance at SKEMA-Business School, ranked 9th by the Financial Times.

Dr. Bouchet has been International Affiliate Professor at ESAN (Lima) and Visiting Lecturer at CFVG-ESCP (Saigon & Hanoi) and at Sfax Business School (Tunisia), as well as in China's Zhejiang University and Suzhou University. He is regular keynote speaker in commercial business meetings and international conferences. In 2005 he was Visiting Scholar at Asian Institute of Technology's School of Management. He is Reviewer of the International Business Review and on editorial boards of International Journal of Islamic, Middle Eastern Finance, and of Journal of Economics, Finance and Administrative Science. He is also Expert Witness in International Arbitrage Courts. Dr. Bouchet is member of the World Economics Association and of Transparency International-France.
